OFFICE OF THE PRINCIPAL

September 6, 2018

Dear Sophomore and Junior Parents,

You may recall from my summer letter that I mentioned the format for parent orientation evenings. Please note the following:

1. Date: Tuesday, September 11, 2018
2. The evening starts with an optional, self-guided tour of the new Dolan Family Science, Technology and Research Center. The center will be open from 5:30 – 6:30 p.m.
3. Meet the Teachers (optional)
  - we will not follow the format of following your son's schedule and going to each class
  - teachers will be in classrooms to meet with parents and give brief information on class requirements, expectations, etc.
  - your son will provide you with a list of his teachers
  - teachers will be available between 6:30 – 7:30 p.m. and again from 7:45 – 8:30 p.m. This will allow for more flexibility on the part of the parents. You may wish to visit all the teachers before the orientation segment or after the orientation segment or split between both.
4. Parent Orientation (7:30 – 7:45 p.m.)
  - Darby Auditorium
5. Please enter the building by the Darby Auditorium to receive a listing of teachers and their locations.
6. The Parents Club will also greet you in the Darby Auditorium Lobby. You will have an opportunity to inquire about the various club events and activities and volunteer if you have not already done so on-line (see attached letter from the Presidents of the Parents Club).

Sincerely yours,

Bro. Joseph Bellizzi, S.M. '78  
Principal
